A One-Day Sale of Women's and Misses' Fall Dresses, Regularly to \$12.75

Many of the dresses are reproductions of high-class models—all in the height of fashion.
We illustrate two of the dresses on sale.
One of the styles illustrated is for Misses, in a very clever combination effect, combining Failla Taffeta with Velvet. The Princess front is trimmed with small buttons, and a patent leather belt with metal buckle trims the back. The dress has embroidered white flare collar and novelty skirt.
The other model illustrated is for women. It is made of French serge in a smart Redingote model. It has double collar; vestee, and sleeves of Georgette crepe; handsome embroidered Failla collar. Two pearl buckles with bows give a charming touch of individuality, and are repeated in back. Skirt has two patch pockets, and sleeves are trimmed with straps and buckles.
Other styles introduce clever coatee effects, embroidered yokes, vestees of Georgette crepe and various new style skirts; some trimmed with folds, others have fancy yokes, also full side and box pleated effects.
All new Fall colors: African Brown, Field Mouse Grey, Russian Green, Plum, Navy and Black.
THE EVENING DRESSES. These are exquisite creations of Chiffon Cloth, Crepe de Chine or Taffeta, in delightful pastel shades.
Charming and becoming dresses are these, Madam, and offered greatly under price.

Women's and Misses' Suits at \$19.50
Regularly \$24.50 to \$32.50
Quantities of the various models are limited, but a large variety of styles to choose from.
